DOZENS of young members joined the Gold Coast Turf Club's racing family on Saturday to celebrate the Mad as a March Hare party.

About 100 people were at the turf club's dome where they were entertained by a DJ, fashion parades, photo booth, garden games and live racing.

Turf club membership co-ordinator Laura Rogers hoped the event would become an annual celebration.

"It was a great day ... people dressed up with some awesome hats; some made their own," she said.

"It was good to see so many young people joining in so we're hoping it will become a regular thing."

A fashion parade by Shi Shi L'amour was the main event.
